

COASTAL MOTORCYCLE CLUB

NEWSLETTER

December 2008

Well we're down to the last few weeks of the year and we would like to say thanks to all our volunteers this year who attended the busy bees, helped out at our club, open and state events, especially those who did this on a regular basis. We all need to remember that this is a club and we could not put on these types of events without these volunteers. Thank you to our 2008 committee who managed to put on six club runs, two state title events, five open events and of course the very special Battista's Bash.

Our Annual Presentation night was held on the 29th November – thank you to Decima Johns our Social Secretary who put this night together and all the helpers who set everything up on the day. It was great to see more of our senior riders collect their trophies this year. Congratulations to all the riders on their efforts over the year at the club runs.

So the time has come to introduce your new committee for 2009. The Annual General Meeting was held on Friday 5th December and the new committee is shown below. We still have positions open for Trophy Officer and Overseer of Flags.

Coastal Motorcycle Club Launches Healthy Club Policy

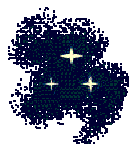

For the 2009 Season, Coastal Motorcycle Club will launch a new 'Healthy Club' policy which has been developed through their 'Healthy Club' sponsorship with Healthway and Sports Medicine Australia.

The sponsorship program, managed by Sports Medicine Australia, is taking a unique new direction by focusing on policy development and structural changes within the club.

This policy helps reinforce our club's commitment to the promotion of health as well as clearly defining the roles and responsibilities for club members.

According to Sports Medicine Australia's Sponsorship Officer, Fiona Boys, "by developing policies for the areas of tobacco control, sun protection, injury prevention, healthy eating and sensible alcohol practices, clubs become actively involved in preventing injury and illness and providing a healthy environment for all participants."

Coastal Motorcycle Club is committed to providing a safe and enjoyable environment for our members and we look forward to seeing you all for the 2009 season.

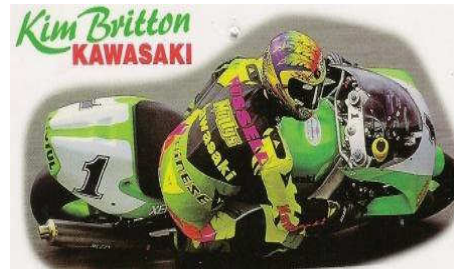

Dust

With the warmer and drier days approaching, please consider the amount of dust that is being created when you ride. Practicing repeated starts, etc., which causes extra dust, will mean that we will have to switch to 'Summer Practice Times' earlier than normal which will mean the track is not open for as many hours. We need to consider our neighbours as a formal complaint has already been made.
